Mount Gambier is a thriving regional centre set amidst a unique landscape of temperate fertile volcanic soils over-lying the cool waters of limestone filtered aquifers.

The city is famous for the unique Blue Lake which mysteriously changes to vivid cobalt blue, culminating during our summer season.

Nature's show time includes intriguing caves, beautifully landscaped sinkholes, the natural beauty of the Valley Lakes recreational area, boardwalks, lookouts and nature walks.

The city features quality recreational facilities, magnificent gardens and galleries, along with modern shopping facilities, a range of restaurants and cafés and a diversity of accommodation.

Come and see for yourself!
